

26th
INVENTION
Convention

February 22, 2018
Student Union Building Ballroom
Middle Tennessee State University
Elementary & Special Education Dept.

Schedule of Activities

Registration

8:00-8:45 a.m., Student Union Ballroom

Welcome

9:00-9:15 a.m.

Dr. Tracey Huddleston, Director
Department of Elementary and Special Education

Judging of Final Entries

9:30-11:00 a.m.

Children should remain beside their inventions until judging is complete.
Parents, teachers, and guests are free to explore our campus at this time.

Address

11:00-11:45 a.m.

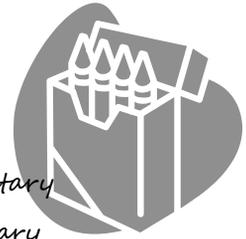

Guest Speaker
Featured Invention Presentation
Judge Deliberation

Awards and Honors

11:45-12:30 p.m.

Special Thanks to Kasey Taylor, Kayla Croy, and Mary Dobbs for their hard work and dedication to making this program a success! Special Appreciation also to Linda Copciac, Ed Arning, and those in the Dept. of Elementary and Special Education who made this day possible!

About Our Speaker

Doug Campbell graduated from the University of Memphis in 2006, with a Bachelor's Degree in Finance. Upon graduating, he was commissioned as an officer in the Navy, ultimately earning his Naval Aviator designation and flying the P-3 "Orion." He also holds an FAA commercial pilot certificate. In 2011, Doug became an Army contractor "Hunter" unmanned aircraft pilot and mission commander. He served with a UAS unit overseas and provided video and information services to ground troops.

In 2013, Doug began working at Middle Tennessee State University (MTSU) as the UAS Operations Manager. Here, he started his endeavors with professional civil drones and their potential to use aircraft in innovative new ways and for jobs never previously done. He is the Aerospace Department's coordinator for unmanned aircraft and works with the FAA and university community to fly drones for testing, flight evaluation, and research projects across a wide range of interdisciplinary studies.

Featured Inventi^on

Yo-Yo

Did you know that the yo-yo is suspected to have been originated in 500 B.C.? In the past, the yo-yo was called the incroyable, l'emigrette, bandalore, and disc. The Philippines is where it received its name yo-yo, which means "comeback". In 1920, Filipino Flores decided that manufacturing this toy would bring in millions of dollars. He then moved to the United States in 1928 to start a yo-yo company. In the simplest play, the string is wound on the spool by hand. The yo-yo is then thrown downwards, so that it goes down and unwinds the string. It then climbs back, winding the string up. Finally, the yo-yo is grabbed, ready to be thrown again! The yo-yo was inducted into the National Toy Hall of Fame at The Strong in 1999.

Awards and Honors

Every student inventor will leave today with a certificate of participation and this year's featured invention. In addition to 1st, 2nd, and 3rd place trophies, awards will be recognized in the following areas:

State Farm Excellence Award: This award acknowledges excellence in all required aspects of the competition. This award was specifically designed to honor State Farm for their many years of support and encouragement.

Group Champion Award: This medal is presented to the group that exhibits cooperative teamwork in designing and presenting the invention.

Individual Champion Award: This medal is given to the individual who exhibits individual creativity and ingenuity.

Best Presentation Award: This ribbon is offered to the student(s) with outstanding presentation skills.

Judges Favorite Award: This ribbon is awarded to the student(s) who in addition to meeting all necessary requirements, provide a memorable and unique invention.

Trophies were obtained from

B&B Trophies, 307 S. Spring Street, Murfreesboro, TN (615) 890-4780.

MTSU, a Tennessee Board of Regents university, is an equal opportunity, non-racially identifiable, educational institution that does not discriminate against individuals with disabilities.

A special thanks to our proud sponsor at

State Farm
